1. Approval of Certain Athletic Contract (Football, Head Coach): Rob Mullens, Director of Intercollegiate Athletics

Meeting Adjourns

*This will be a telephonic meeting of the committee. A location is provided for members of the public who wish to listen to the proceedings.
Board of Trustees ratification is sought for an employment contract within the Department of Intercollegiate Athletics (Athletics). Although employment matters are delegated to the University President, the Board has retained authority over contracts and instruments with an anticipated value reasonably expected to reach or exceed $5,000,000. Athletics reached agreement for a contract with Willie Taggart to be the new head coach of the intercollegiate football team, the aggregate value of which will exceed that threshold.

Given the impractical nature of Board or committee authorization prior to final selection and negotiations, President Schill authorized the athletic director to execute the agreement prior to such approval. This is authorized under Section 3.8.14 of the Policy on the Retention and Delegation of Authority. Although this is authorized, the Board Chair is calling an EAC meeting for purposes of official ratification of the agreement.

Resolution: Authorization to Execute Certain Employment Agreement (Willie Taggart)

Whereas, the Department of Intercollegiate Athletics (Athletics) has selected Willie Taggart (Coach Taggart) as the next head coach of the University of Oregon’s (University) intercollegiate football team;

Whereas, Taggart has had a strong career as an intercollegiate coach prior to joining the University and has, though his interview process, shown a commitment to fulfilling the overall mission of the University’s athletic department;

Whereas, Athletics and Coach Taggart have entered into a memorandum of understanding regarding terms for his employment, effective December 7, 2016, as head coach of the football program;

Whereas, ORS 352.107(c) grants the University of Oregon the authority to make any and all contracts and agreements that are appropriate;

Whereas, the Policy on the Retention and Delegation of Authority requires Board of Trustees’ approval for instruments exceeding $5,000,000, but further authorizes the president to act prior to such approval when time makes prior authorization impractical; and,

Whereas the Policy on Committees authorizes the Executive and Audit Committee to act on behalf of the Board of Trustees;

Now, therefore, the Executive and Audit Committee (EAC) of the Board of Trustees of the University of Oregon hereby ratifies the actions of the University President and Director of Intercollegiate Athletics in negotiating with Willie Taggart for employment as the head coach of the intercollegiate football team and approves the execution of a contract substantially similar to that provided as Exhibit 1.

Employment Agreement

This Employment Agreement (Agreement) is entered into by the University of Oregon (University) and Willie Taggart (Coach).

1. Purpose

University and Coach have entered into this Agreement because the University desires to hire Coach, and Coach desires to work as an employee for the University. For these reasons, University has agreed to employ Coach in a salaried position, and Coach has agreed to be employed by the University upon the terms and conditions set forth herein.

2. Position

2.1 Description of Coach's Responsibilities

a. Title. Coach is employed as head coach of the University's intercollegiate football team subject to the terms and conditions of this Agreement.

b. Effort; Compliance. Coach agrees: (i) to devote his best efforts full time to the prompt and efficient performance of all duties and responsibilities of a head football coach and such other reasonably related duties and responsibilities (so long as they do not interfere with his duties and responsibilities as head football coach) as may be assigned to him from time to time; (ii) to give proper time and attention to furthering his responsibilities to the University; (iii) to comply with all rules, regulations, policies, and decisions established or issued by the University or the President, the University Department of Intercollegiate Athletics (Athletic Department), the Pacific-12 Conference (PAC-12), and the National Collegiate Athletic Association (NCAA). Coach also agrees that notwithstanding the provisions of Section 4.6, during the Term of this Agreement he will not engage, directly or indirectly, in any business or other activity which would significantly detract from his ability to apply his best efforts to the performance of his duties and responsibilities. Coach also agrees not to usurp any business opportunities of University. Coach and University agree to implement the actions described in Exhibit A to this agreement.

c. General Administration as head football coach. During the period in which University employs Coach as head football coach, Coach agrees to perform properly, efficiently, to the best of his ability and consistent with University standards, all duties and responsibilities of a head football coach in this position. Coach is responsible for the management and administration of all phases of the intercollegiate football program fully in keeping with the philosophies and objectives of the Athletic Department and the University, including compliance with NCAA, PAC-12, and University policies which can be found at policies.uoregon.edu.
d. Day to Day responsibilities as head football coach. As head football coach, Coach's specific and essential responsibilities include, but are not limited to: (i) Working with student-athletes involving recruitment and selection, leadership and instruction in personal and athletic development, determining eligibility and promoting academic progress; (ii) Instilling and reinforcing in student-athletes high standards for character and conduct both on and off the field; (iii) Developing, submitting and monitoring the football program’s annual budget to generate and maximize revenue to sustain the football program and to support other activities of the Department; (iv) Overseeing the selection, acquisition and maintenance of uniforms and equipment pursuant to University contracts; (v) Arranging and conducting practices and, in conjunction with the Athletic Director, arranging a competitive schedule, including travel plans and itineraries; (vi) Supervising personnel, including assistant and part-time coaches, graduate assistants and such others as are identified in writing by the Athletic Director, providing orientation and training as appropriate, conducting performance evaluations, and recommending salaries; (vii) Overseeing the conditioning, training, safety and discipline of student-athletes including, with the approval of the Athletic Director or designee, developing, and communicating team rules and effectively implementing them; (viii) Directing the team and the coaching staff at all football games and events; (ix) Participating in clinics, exhibitions, and camp activities as reasonably requested by the Athletic Director; (x) Participating in public relations events as reasonably requested by the Athletic Director; (xi) Cooperating with other Department and University personnel, including other coaches; and (xii) Performing other duties as reasonably requested by the Athletic Director.

e. Ethical Responsibilities: The University has established a tradition of ethical conduct at all levels of University life. In accordance with this tradition, Coach, as a member of the Athletic Department, agrees to represent the University in an honorable and ethical manner at all times. Standards for the ethical conduct of Athletic Department staff are established and enforced by the Director of Athletics, the University, the PAC-12 Conference and the NCAA. In addition, University Intercollegiate Athletics Policy 8.036 reflects and specifies certain requirements regarding ethical conduct, as does University's Conflict of Interest and Conflict of Commitment policies, each of which, as amended from time to time, shall be deemed a part of this Agreement. Coach further agrees to comply with all applicable constitutions, bylaws, interpretations, laws, policies, rules or regulations relating to the conduct and administration of the football program. If Coach becomes aware, or has reasonable cause to believe, that violations of applicable constitutions, bylaws, interpretations, laws, policies, rules or regulations have taken place, he shall report them promptly (and in all cases within seven days) to the Director of Athletics. Coach also agrees to adhere to, to respect and to follow the academic standards, requirements and policies of the University at all times, including with respect to the recruitment of prospective student-athletes and the eligibility of current student-athletes.

2.2 Reassignment.
The University's intent is for Coach to serve as the head football coach of the intercollegiate football team throughout the Term of this Agreement. However, Coach understands that the University retains the right to assign Coach to other positions with different duties during the Term of this Agreement (Reassignment). Should such Reassignment be under consideration, University shall consult with Coach and seek Coach's input at least thirty (30) calendar days before a Reassignment is made. In no event, however, will Coach be assigned to a position that is not, in University's sole good faith judgment, consistent with his education, expertise or experience, nor will Coach's Guaranteed Salary be reduced during the Term of this Agreement. If University reassigns Coach and Coach refuses to accept such reassignment, University must terminate this Agreement pursuant to the terms and conditions for termination by University set forth in Section 6.2 below.

2.3 Reporting Relationship.

As head football coach of the intercollegiate football team, Coach shall report to the Athletic Director or another member of the senior athletic administration as designated by the Athletic Director.

3. Term of Agreement

The term (Term) of this Agreement shall begin on December 7, 2016, and end at 11:59 pm Pacific Time on January 31, 2022, at which time this Agreement shall expire without penalty to either party. Each contract year (Contract Year) shall be any twelve (12) month period during the Term from 12:00 am February 1 to 11:59 pm on January 31.

   Contract Year 1: December 7, 2016 – January 31, 2018
   Contract Year 2: February 1, 2018 – January 31, 2019
   Contract Year 3: February 1, 2019 – January 31, 2020
   Contract Year 4: February 1, 2020 – January 31, 2021
   Contract Year 5: February 1, 2021 – January 31, 2022

4. Compensation

Coach is entitled to compensation as identified in this Agreement. Coach may earn supplemental income related to his employment as and to the extent approved by the University and consistent with NCAA and PAC-12 regulations. All payments from University are subject to applicable deductions and withholdings for tax purposes and employee benefit programs in which Coach participates. All payments are also subject to the terms and conditions in Sections 6 and 7 regarding termination of this Agreement.
4.1 Salary

a. For performance of his duties and responsibilities under this Agreement (subject to the terms of this Agreement), University shall pay Coach an annual guaranteed salary (Guaranteed Salary) as follows.

<table>
<thead>
<tr>

</tbody>

b. Coach’s Guaranteed Salary shall be paid in equal installments on the University’s Regular pay days. If this Agreement is terminated for any reason under Section 6 or 7 before the expiration of the Term, the Guaranteed Salary shall be prorated through the effective date of termination as provided in such sections. As a result, University shall cease paying Guaranteed Salary as of the effective date of termination and shall therefore pay all remaining obligations as set forth in Section 6 and 7, as applicable.

4.2 Fringe Benefits

a. Coach shall be entitled to participate in the University fringe benefits offered to other employees that share his status as an Officer of Administration. These include (but are not limited to) group life insurance, medical, dental, and vision insurance; paid vacation and sick leave; disability insurance; participation in the Optional Retirement Plan; and opportunities to invest in tax deferred annuities and deferred compensation plans.

b. Coach is eligible for paid vacation as set forth in University policies applicable to Officers of Administration, except as set forth in this agreement. Coach understands and agrees that Coach must notify and obtain the approval of the Athletic Director in advance of using vacation. Coach understands that a maximum of 260 hours of vacation time may be accrued. Coach further understands and agrees that Coach will not receive payment for any unused vacation upon resignation or termination. Coach acknowledges that the University will record as vacation regular work days on which the employee is absent during off-season periods in the event that Coach fails to properly record such time as vacation or sick leave.

c. Coach will receive reimbursement for all business-related travel and out-of-pocket expenses, including travel expenses for his spouse (whenever deemed appropriate by the Athletic Director),
consistent with University policy.

d. University shall provide to Coach at all times during the Term of this Agreement while Coach is on the football coaching staff two (2) courtesy cars. The Athletic Department will insure two cars for official business, but Coach must provide automobile liability (no less than $1 million limit) and collision insurance for personal use of the cars. Should University be unsuccessful in obtaining the courtesy cars for Coach, Coach shall receive a stipend of $500 per car per month in lieu of the courtesy car.

e. During the term of this Agreement while Coach is head football coach, Coach will be provided with a family membership to the Eugene Country Club if such a membership is available (and if not available than an available membership in a country club of Coach’s choice in the Eugene area.) The Athletic Department will pay monthly dues and approved business-related expenses. Coach will be responsible for any personal charges including, but not limited to, electric carts, lockers, restaurant charges and lessons. This membership is provided to assist in fund-raising efforts. Should Coach be reassigned, Coach’s continued membership will depend upon the wishes of the Eugene Country Club, needs of the new position and its relative (to certain head coach positions) utility to promotional and fund-raising functions.

f. During the Term of this Agreement while Coach is head football coach, Coach will be provided with a family membership at the Downtown Athletic Club if such membership is available. This membership is conditioned on the Downtown Athletic Club’s providing University with a waiver of the membership fee and the monthly fee for Coach’s membership. Coach will be responsible for any personal charges including, but not limited to, lockers, restaurant charges, classes and lessons. This membership is provided to assist in promotion and fundraising efforts. Should Coach be reassigned, Coach’s continued membership will depend upon the wishes of the Downtown Athletic Club, needs of the new position, and its relative utility to promotional and fundraising functions.

g. During the Term of this Agreement while Coach is head football coach, Coach will receive, as part of the standard Athletic Department fringe benefit package and to help him fulfill his duties as head football coach: twelve (12) tickets to each of the University’s football team’s home games and four tickets to each home competition of each of the University’s other varsity intercollegiate athletic teams. In addition, University will pay the costs for Coach’s spouse and dependent children living at home to travel to all regular season away football games. In the event the football team participates in post-season play, University agrees to pay the costs for Coach’s spouse and any dependent children living at home to travel to away post-season games. Coach will be provided with use of a premium level skybox stadium suite located on the 5th Floor of the South Side of Autzen Stadium during each home football game. Coach or his designee will determine the suite guest list for each such home game, and shall ensure that its use is consistent with NCAA rules and regulations. University will also provide reasonable parking accommodations for football home game events at team facilities. Coach understands that these benefits may be subject to taxation.
h. During the Term of this Agreement while Coach is on the football coaching staff, Coach will be eligible to receive a reasonable amount of apparel, equipment, and shoes from University's contracted provider.

i. Coach is eligible to receive a Nike Elite allowance at the discretion of the Athletic Director.

Maximum Other Performance Incentives: $1,475,000

Note: Other Performance Incentives above are cumulative.

If earned by Coach, the incentive payments shall be made within forty-five (45) days following the season in which such incentive payments are earned. Coach must be employed by University as a head football coach on the date any of the above incentives are earned to be eligible to receive payment for each specific incentive.

4.5 Academic Incentives

a. Academic Progress Rate. To the extent permitted by law and in the absence of any adverse impact
on any University program, Coach will be eligible to receive academic incentives payments based on the single-year Academic Progress Rate (APR) of the football team. The APR rates measured will be based on the following schedule:

<table>
<thead>
<tr>
<th>Contract Year</th>

<tbody>

<td>2016-17 academic year APR</td>

<td>$100,000</td>
</tr>
</tbody>
</table>

If earned by Coach, the incentive payment shall be made within forty-five (45) days of the date upon which the NCAA academic progress rate data is available to University. Coach must be employed by University as a head football coach at the conclusion of each contract year to earn the APR bonus associated with that Contract Year.

4.6 Opportunities to Earn Outside Income.

While Coach is head football coach, Coach shall have the opportunity to earn income from outside the University as a result of his position on the terms and conditions set forth herein.

a. The following general terms and conditions shall apply whenever Coach wishes to earn outside income related to his expertise, experience, or occupation as a head football coach: (i) Any outside activities shall not interfere with the full, complete, and satisfactory performance of Coach's duties and obligations as a University employee, recognizing always that his primary obligations lie with the University; (ii) In no event shall Coach knowingly accept or receive directly or indirectly any monies, benefit, or any other gratuity whatsoever from any person, corporation, University booster club or alumni association or other benefactor if such action would violate NCAA or PAC-12 Conference legislation or the constitution, bylaws, rules and regulations, or their interpretations in effect at the time, and changes of such legislation, constitution, bylaws, rules and regulations or interpretations automatically apply to this Agreement without the necessity of written modification; (iii) Coach shall disclose to, and obtain the advance written approval of the Athletic Director before entering into agreements for outside income or in-kind or financial benefits. Subject to other terms of this Agreement, such approval shall not be unreasonably withheld as to arrangements not directly related to coaching responsibilities, information and activities. Except as required by the Athletic Department, Coach shall
not endorse or be a spokesperson or celebrity personality for goods or services manufactured, sold or provided by persons or entities other than those with which University has contracted, without prior written approval of University. Such approval shall not be unreasonably withheld.

b. Coach may earn additional compensation as a result of his responsibilities operating University's football youth summer camps. Camp operation is subject to all the rules and procedures outlined in the Athletic Department's Procedural Manual and University policy. The opportunity to operate a camp on or using University facilities is exclusively available to Coach only while he is serving as head football coach. University shall have no responsibility or liability for loss of camp income resulting from termination of this Agreement. University does not guarantee any minimal camp-related income. Income shall be determined consistent with Athletic Department procedures and practices.

c. Any income produced by outside activities is independent of this Agreement, and University shall have no responsibility or liability for any loss of such outside income resulting from termination of this Agreement or from the reassignment of Coach, regardless of Coach's expectations based on past history or representations and regardless of whether either party could have foreseen or contemplated such a loss upon termination or reassignment or whether such a loss resulted directly or indirectly from the termination or reassignment.

d. Coach shall not earn outside income from pre-game, post-game or coach's show, "highlights" and other television and radio show broadcasts. Except for spontaneous, live sideline interviews consistent with any restrictions arising out of any University media rights holder agreement, Coach shall not provide any such services, commentary or performance relating to University of Oregon football except as consistent with any University media rights holder agreement unless approved by the Athletic Department.

e. The Athletic Department reserves the right to deal directly with manufacturers, importers, or distributors of athletic shoes, apparel or equipment, and to negotiate and contract for usage and endorsement of their products. Coach shall not enter into any such contracts.

f. Coach shall provide, as and when directed by the University, a detailed accounting in writing of all income and benefits from all sources outside the University.

5. Performance Evaluations

5.1 The Athletic Director will evaluate Coach's performance of his job duties and responsibilities annually on the same basis as performance evaluations are done for other employees of Coach's classification. These evaluations may take into account prior evaluations and the expectations and goals set for Coach in such prior evaluations.
5.2 As part of the evaluation process, win-loss record, post-season appearance performance (if any), recruiting success, compliance with University, Presidential, and NCAA policies, rules and regulations, student-athlete academic progress, student-athlete development, and fund-raising success shall be taken into account and evaluated against comparably situated and funded Division I intercollegiate athletics programs.

6. Termination without Cause

6.1 Termination due to Death or Disability.

a. This Agreement shall terminate upon Coach's death. This Agreement shall also terminate upon Coach's total disability (within the meaning of University's disability insurance for employees of Coach's classification or within the meaning of Oregon Public Employees Retirement System (PERS) regulations or federal Social Security Administration Regulations).

b. If this Agreement is terminated pursuant to this section because of Coach's death, Coach's compensation and all other benefits shall terminate as of the calendar month in which death occurs, except that his estate or other designated beneficiary shall be paid all such death benefits, if any, as may be contained in any benefit plan now in force or hereafter adopted by University and due to Coach pursuant to that plan. Coach's dependents' continued eligibility for benefits shall be in accordance with the standard eligibility of dependents of Officers of Administration at the University. In addition, University shall pay to Coach's estate any compensation already fully earned but not yet payable under this Agreement.

c. If this Agreement is terminated because Coach becomes totally disabled, Coach shall continue to receive the Guaranteed Salary and any other standard University fringe benefits provided for under this Agreement until such time as Coach becomes eligible for (even if subsequently paid retroactively) total disability benefits from PERS, Social Security, or a private or group insurer, whichever first occurs. At the end of such transition period, if any, all compensation and other University fringe benefits shall terminate.

6.2 Termination by University (not for cause)

a. The University shall have the right to terminate this Agreement at any time for any or no reason. Such termination shall be effectuated by delivering to Coach written notice of University's intent to terminate this Agreement without cause, either personally or by certified mail, and shall be effective upon the later of a date stated or thirty (30) days after University's mailing of such notice. University shall not be obligated to state a reason for termination of Coach without cause. If University exercises its right under this Section 6.2, Coach shall be entitled to damages only as provided for in Section 6.2.b below.
b. If University terminates this Agreement under this Section 6.2, University shall pay to Coach, as liquidated damages, the following:

Sixty percent (60%) of the remaining Guaranteed Salary owed for the remainder of the Term as set forth in Section 4.1(a).

c. University's obligation under Section 6.2.b shall not accrue interest (so long as not in arrears) and shall be paid on a monthly basis over the balance of the scheduled Term of this Agreement. University's obligations shall be subject to Coach's duty to mitigate, as set forth in Section 6.2.e. Failure to pay timely such liquidated damages shall constitute a breach of this Agreement and such sum shall be recoverable, together with reasonable attorney fees (subject to the limitations and conditions of ORS 30.260 to 30.300) in any state court of competent jurisdiction in the State of Oregon. Coach will not be entitled to any other employee benefits except as otherwise provided herein or required by applicable law. In no case shall University be liable for the loss of any collateral business opportunities or any other benefits (including unemployment compensation), or perquisites, or income resulting from activities such as but not limited to, camps, clinics, media appearances, broadcast talent fees, apparel, equipment or shoe contracts, consulting relationships, or from any other (inside-the-University or outside-the-University) sources that may ensue as a result of University's termination of this Agreement under this Section 6.2.

d. Coach and University have bargained for and agreed to the foregoing liquidated damages provisions, giving consideration to the fact that termination of this Agreement by University under this Section 6.2 may precipitate or lead to Coach's loss of certain salary, benefits, supplemental compensation or other economic advantages or income related to his employment at the University, which damages are extremely difficult to determine fairly, adequately, or with certainty. The parties further agree that the payment of such liquidated damages by University shall constitute sufficient, adequate and reasonable compensation to Coach for any loss, damages or injury Coach suffers because of such termination by University. The foregoing shall not be, nor be construed to be, a penalty. The provisions of this Section 6.2 shall be without prejudice to any other right (excluding unemployment compensation) Coach may have under applicable law. Coach acknowledges that state and federal taxes must be withheld and paid on liquidated damages as required by law.

e. If University terminates this Agreement under this Section 6.2, Coach agrees to mitigate University's obligations to pay liquidated damages under Section 6.2.b by making reasonable, good faith, and diligent efforts to obtain Comparable Employment, such as a coaching position (not necessarily as a head coach) or a senior athletic administrative position (such as athletic director or associate athletic director position) at a college or university or with a professional team as soon as reasonably possible after termination of this Agreement. Should Coach obtain any employment, including, but not limited to, Comparable Employment, University's financial obligations under this Agreement, including Section 6.2.b,
shall cease if Coach’s Monthly Compensation (defined as 1/12th of Coach’s annual compensation, inclusive of all bonuses and any form of monetary compensation, including any payments into special programs, including special insurance vehicles or corporations or trusts, but excluding usual and customary non-monetary fringe benefits such as health and life insurance, club memberships and use of vehicles), is equal to or greater than University’s obligation to pay liquidated damages under Section 6.2.b, prorated on a monthly basis. If Coach’s Monthly Compensation, from new Comparable Employment or any other employment is less than University’s monthly obligation to pay liquidated damages under Section 6.2.b, the amount of University’s obligation to pay liquidated damages shall be reduced by the greater of: a) the amount of Coach’s Monthly Compensation from such new employment or b) the median Monthly Compensation, as determined from publically available sources, of incumbents in equivalent coaching or senior athletic administrative positions in, as relevant, the NCAA Division or professional sports league in which Coach has obtained Comparable Employment or any other employment. Coach shall promptly inform University of changes in his employment status (including monthly salary and type and value of fringe benefits that are included in the calculation of Coach’s compensation) for purposes of the implementation of this Section 6.2.e. Coach agrees to provide University with a copy of any employment agreement relevant to mitigating Comparable Employment, as well as other information necessary to establish compliance with this mitigation obligation including, upon request, information relating to income Coach has received in a manner that did not generate a form W-2 or 1099. Should Coach fail to make a good faith effort to obtain employment, University’s obligations to pay liquidated damages under Section 6.2.b shall cease.

6.3 Termination by Coach

a. Coach recognizes that his promise to work for the University for the entire Term of this Agreement is of essence to this Agreement. Coach also recognizes that the University is making a highly valuable investment in his continued employment by entering into this Agreement and that its investment would be lost were he to resign or otherwise terminate his employment with the University prior to the expiration of the Term of this Agreement. In recognition of these facts, the parties agree that Coach’s decision to terminate this Agreement prior to its expiration will be subjected to the following terms and conditions.

b. If Coach wishes to pursue other employment opportunities, Coach is required to provide Athletic Director with written or verbal notice prior to meeting with representatives from another entity to discuss such employment opportunities. If Coach terminates this Agreement during its Term he must notify Athletic Director in writing. While Coach is assigned to the position of head football coach, such termination by Coach must occur at a time other than during the football season (including post-season), unless both parties mutually agree otherwise. However, so long as the termination occurs other than during the football season, nothing limits Coach’s ability to provide notice at any time. If Coach gives notice prior to the completion of play, University may require Coach to continue his coaching and other responsibilities, or University may reassign Coach until the completion of all play. Simultaneously with
such notice, Coach shall inform University in writing of his employment plans following the termination of
his employment with University.

c. Termination by Coach shall require Coach to pay, or cause to be paid, as repayment of
Compensation, perquisites and benefits paid to or accrued by Coach in anticipation that Coach would
fulfill the Term, in addition to any sum owed under section 8.11 of this Agreement, a fixed sum to
University, according to the following schedule:

On or before the end of first Contract Year (January 31, 2018): $3,000,000
After the first Contract Year but on or before the end of the second (January 31, 2019): $2,500,000
After the second Contract Year but on or before the end of the third (January 31, 2020): $2,000,000
After the third Contract Year but on or before the end of the fourth (January 31, 2021): $1,500,000
After the fourth Contract Year but on or before the end of the fifth (January 31, 2022): $1,000,000

d. Coach may prorate the foregoing applicable amount over the remaining months in the Term
without interest or may pre-pay in one or more lump sums. The parties recognize and agree that the
foregoing amounts also constitute a projection or measurement of University’s damages which, in such a
case, would be extremely difficult to determine, and that this provision is a sufficient and reasonable
estimate of the potential injury to University and that it shall be enforceable as liquidated damages and
not as a penalty. Provided, however, that if University membership in the Pac-12 Conference ends and
the University does not join without a competition-season interruption, a conference of comparable
stature and NCAA classification level, this subsection shall not apply and Coach shall not be obligated to
pay any liquidated damages.

e. Coach and University have bargained for and agree to the foregoing liquidated damages
Provisions, giving consideration to the fact that termination of the Agreement by Coach under this
section 6.3 may precipitate or lead to University’s loss of revenue or other economic advantages or
income related to University’s athletic program, which damages are extremely difficult to determine
fairly, adequately or with certainty. The parties further agree that the payment of such liquidated
damages by Coach shall constitute sufficient, adequate and reasonable compensation to University for
any loss, damages or injury that University suffers because of such termination by Coach. The foregoing
shall not be, nor be construed to be, a penalty.

7. Termination for Cause and Discipline

7.1 Coach may be disciplined as determined by the Athletic Director for: (i) any reason for which an
Officer of Administration may be disciplined; (ii) for a material violation of any constitution, bylaw,
interpretation, rule, regulation, or policy of the NCAA and PAC-12, policy, standard or directive of the
University or the President; or (iii) any material violation of local, state or federal law or a material
breach of this Agreement. Discipline under this provision may be in addition to discipline imposed by
the NCAA or the PAC-12 conference. Depending on the violation, the Athletic Director may provide an
opportunity for Coach to remediate or may impose a reprimand, assess a fine (of a day's pay or more),
suspend (with or without pay) or, consistent with Section 7.2, terminate Coach. Coach shall cooperate
fully with any University personnel in the course of any investigation of illegal or prohibited behavior
on the part of students, boosters, employees, administrators, volunteers, or agents of the University.

7.2 University shall have the right to terminate this Agreement for cause prior to its expiration.
Coach waives any procedural rights he may have except those contained in this Agreement. If
University is considering termination for cause, Coach shall be notified of the grounds and shall have
the opportunity to present a statement of denial, explanation or excuse before such termination is
finalized.

a. “Cause” shall include in addition to its normally understood meaning in employment agreements
and in University Policy (Resignations & Terminations as applied to the University policies), any of the
following: (i) A deliberate and serious violation of the duties outlined in this Agreement or refusal or
unwillingness to perform such duties in good faith and to the best of Coach’s abilities; (ii) Conduct
resulting in a conviction for violation of any criminal statute involving moral turpitude or a state or
federal felony crime; (iii) A serious and knowing violation of any material law, rule, regulation,
constitutional provision, bylaw, or interpretation of the PAC-12 Conference or the NCAA, which may, in
the sole good faith judgment of University, reflect or impact materially and adversely upon University or
its athletic program or which may result in University being placed on probation by the PAC-12
Conference or the NCAA, including any such violation which may have occurred during prior employment
at University or another NCAA member institution, either by Coach or, if known to Coach that results in a
finding of a violation of NCAA Bylaw 11.1.1.1, by a member of the coaching staff or any other person
Coach supervises or directs; (iv) Absence from duty of 60 continuous days (except due to illness
documented by a licensed physician) or 60 business days in any twelve (12) month period (except due to
illness documented by a licensed physician) without the Athletic Director’s consent (which shall not be
unreasonably withheld); (v) a serious and knowing violation of any University or Presidential policy,
standard or directive; (vi) Failure to prevent repeated serious misconduct by student-athletes that results
in harm to others in circumstances where the Coach could have prevented the misconduct and failed to
take reasonable action to do so; or (vii) Any cause adequate to sustain the termination of any other
Officer of Administration.

b. If this Agreement is terminated for cause, all obligations of University to make further payments
or to provide any other consideration (notwithstanding University Policy (Resignations & Terminations)
as applied to the University or its successor policy, standard or directive) shall cease as of the end of the
month in which such termination occurs. In no case shall University be liable to Coach for the loss of any
collateral business opportunities or any other benefits, perquisites or income whether from University or
8. Miscellaneous

8.1 This Agreement will be governed and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. In no event shall any part of this Agreement be construed as a waiver of sovereign and governmental immunities or limits of liability enforceable in the courts of the State of Oregon.

8.2 The captions or headings in this Agreement are for convenience only and in no way define, limit, or describe the scope or intent of any provisions of this Agreement.

8.3 The parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the parties agree to attempt to substitute for any illegal, invalid, or unenforceable provision a valid or enforceable one, which achieves the economic, legal and commercial objectives of the invalid or unenforceable provision to the greatest extent possible.

8.4 No waiver, consent, modification, or change of any term of this Agreement shall bind either party unless the same is in writing and signed by both parties and all necessary approvals have been obtained. Such express waiver, consent, modification, or change, if made, shall be effective only in the specific instance and for the specific purpose set forth in such signed writing. Failure of either party to enforce any provision of this Agreement shall not constitute a waiver of the right to future enforcement of that or any other provision.

8.5 This Agreement may be executed in counterparts, and via facsimile or electronically transmitted signature (i.e. emailed scanned true and correct copy of the signed Agreement), each of which will be considered an original and all of which together will constitute one and the same agreement. At the request of a party, the other party will confirm facsimile or electronically transmitted signature page by delivering an original signature page to the requesting party.

8.6 This Agreement may be publicly disclosed in its entirety.

8.7 Coach’s position as head football coach is not tenure-related and has no academic rank.

8.8 This Agreement, together with all incorporated documents and exhibits attached hereto and referenced herein, constitutes the entire agreement between the parties with respect to the subject matter hereof and merges all prior and contemporaneous communications with respect to such subject matter. This Agreement shall not be modified except by a signed writing dated subsequent to the date of
this Agreement and signed by Coach and on behalf of University by its duly authorized representative. The parties hereby acknowledge and agree that this Agreement has been negotiated by the parties and their respective counsel and shall be interpreted fairly in accordance with its terms and without any strict construction in favor of or against either party.

8.9 All notices, claims, requests, demands and other communications hereunder shall be made in writing and shall be deemed given if delivered or mailed (registered or certified mail, postage prepaid, return receipt requested) as follows:

To Coach: Willie Taggart
Last known address on file with Human Resources

To the University: Director of Athletics
University of Oregon

8.10 All compensation payable to Coach under this Agreement or sums payable to Coach for breach of this Agreement are payable only from revenues of the Department of Athletics or funds made available to the Department of Athletics by University’s affiliated foundation. University is not obligated to use state general fund money to pay compensation payable to Coach or to pay sums payable to Coach for breach of this Agreement. Nothing in this Section 8.10 shall be construed to affect University’s obligation to pay compensation to Coach under this Agreement from the sources of funds identified in this Section 8.10.

8.11 At University’s request, Coach will terminate his employment with his current employer and incur a buyout liability in accordance with Coach’s existing employment agreement in order to begin employment with University. University will pay the buyout owed directly to Coach’s current employer in accordance with Coach’s existing employment agreement in an amount not to exceed $1,700,000. University may report this payment to the IRS on an information return as income taxable to the Coach. University is making this payment to Coach’s current employer for the specific purpose of hiring Coach, and the University will receive a direct benefit from incurring and paying this expense. Coach and University anticipate that Coach’s taxable income resulting from this payment will be offset by a corresponding deduction pursuant to IRC § 62 and Treas. Reg. § 1.62-2. In the event that the IRS or a court with proper jurisdiction determines that Coach is liable for any tax and associated penalties and interest as a result of the payment made under this Section (subject to Coach providing proof of such adverse determination), Coach and University will in good faith negotiate an agreement regarding the amount of such liability to be paid by Coach and by University. Should Coach terminate this Agreement prior to the end of the second Contract Year in accordance with Section 6.3, Coach shall pay University an amount equal to the percentage of time remaining on the initial Term of this Agreement multiplied by
the buyout amount paid by University on behalf of Coach. Such amount shall be payable by Coach to University within 30 days of notice of termination and is in addition to any liquidated damages amount owed by Coach under Section 6.3.

The parties indicate their acceptance of and agreement to the terms and conditions of this Agreement by their signatures below.
