Board of Trustees of the University of Oregon

Seconded Motion: Authorization for Certain Capital Expenditures (Heritage Deferred Maintenance Project – Partial Project Authorization)

WHEREAS, the Heritage Project is a large-scale deferred maintenance project involving both University and Villard Halls; the two founding and most historic buildings on the University of Oregon campus;

WHEREAS, the project will replace all mechanical, plumbing, and electrical systems, mitigate building code and life/safety deficiencies, seismically stabilize the buildings, and dramatically improve the teaching and learning experience for faculty and students;

WHEREAS, state legislature approved the project in 2021 and allocated \$58.5 million in bond funding towards the initiative, which is currently projected to cost \$87.82 million;

WHEREAS, the University is requesting approval to commit \$10M to complete the design for both buildings along with the construction of both temporary and permanent displacements that will support the main construction for University and Villard Halls before returning to the Board for full project authorization;

WHEREAS, the cost of the construction project would exceed \$5,000,000, a threshold requiring Board authorization;

WHEREAS, the Finance and Facilities Committee has referred this matter to the full Board of Trustees as a seconded motion, recommending adoption.

NOW, THEREFORE, the Board of Trustees of the University of Oregon hereby authorizes the President or their designee(s) to execute contracts and expend resources to complete the design for both buildings along with the construction of both temporary and permanent displacements that will support the main construction for University and Villard Halls in an amount not to exceed \$10 million.
